## "PLANTATION DAY" AT LETTERMAN HOSPITAL

Laughter and cheer were brought to hundreds of deserving G. I. patients and personnel of Letterman General Hospital and residents and soldiers of the Presidio when the Brisbane P. T. A. presented their minstrel "Plantation Day" on Sunday, Dec. 3rd.

The performers had the honor of being the first group to broadcast over the Presidio's brand new remote control station KLAH which goes into every home and building in the Presidio. Nurses reported that bed-ridden patients eagerly listened to the minstrel over ear-phones.

Six hundred persons, including wheel-chair patients, packed the Remote Control room to view the event, and according to Dick Fernandez, entertainment director for Y. M. C. A., it was the largest crowd ever to attend a show at the hospital. The audience agreed unanimously that the most outstanding thing about the show was the fact that 60 amateurs from a small town could, through cooperation and constant rehearsal, present such a fine performance.

The players are now making tentative plans to accept invitations to present their minstrel to other Army hospitals and Posts in this

## JEFFERSON UNION HIGH SCHOOL P. T. A.

The regular meeting and Annual Christmas party of the Jefferson High School Executive Board, of the P. T. A., was held in the home of Mrs. Stanford Hannah, Garden City, Colma. After a delightful luncheon the Board held its business session.

Ten dollars was given to the Daly City Christmas Welfare program for food baskets, etc.

Mrs. Eve Hobbs asked for volunteers to the Blood Bank and found her request eagerly received.

A report on the December 4th Bazaar was given the results of which were very satisfactory due to the patronage of members and local merchants and business people.

Announcement was made of the 17th District P. T. A. meeting, which will be held in the Brisbane school on December 11th.

The new 48 cup, electric coffee urn the P. T. A. had worked for, was unwrapped and christened. This necessary piece of furniture was a happy event in the lives of the hospitality committee.

Business meeting over, Santa Claus, who looked and acted suspiciously like Ann Eason in spite of the white beard, distributed the bag of Christmas presents.

The meeting was adjourned until the 4th of January, by Mrs. M. F. Jensen, who wished all the members and friends of the P. T. A. a Merry Christmas and a Wonderful New Year.

Those attending the meeting were:

Byron Jensen, Mildred McGeein, Grace Hill, Eve Hobbs, Bernice Hannah, Thelma Hamilton, Freda Caddl, Freda Pistohl, Hilda Heagney, Martha Linden, Florence Hapman, Rheo Daniels, Lillian Thomey, Emma O'Isep, Iida Blackburn, Ann Eason, Mary Benando, Betty Kohlbrenner, Lillian Thomey, Ida Hanley, Bernice Hannah, Stella Filarski, Ana Hollingsworth, Olga Borsden. w

## HOME TOWN FOLKS

Clark Lee Lacey, nephew of Mr. Milton Jensen, suffered a basal skull fracture when struck by two cars while attempting to cross highway 101, during a blackout of street lights and signals, caused by heavy rains.

Clark was on his way to a Boy Scout meeting with a friend, who wanted to join the troop.

He's getting along nicely. However and will recover.

Visiting friends, while on a week Christmas shopping trip, were Monica and Susan Van Diver. Mother and daughter were rather worried about getting home, over the flood waters caused by recent heavy rains.

The Richard Cowan family, of Klamath St., are proud possessors of a new baby. He arrived November the 22nd, weighed 8 pounds, 6 ozs and is named Kerry Bryan.

Miss Barbara Jenkins of 100 San Bruno Ave. joined the Women's Army Air Force. She was the only woman to join in San Mateo County during the month of November.

The Jensen family have a pet Raccoon named Cherkle, who roams at large. He is always hungry: loves to be petted and answers to his name. Please don't shoot him!

The two May boys, Chuck and Bill of Chuck's Service have finally met and had Thanksgiving together overseas. They both say, Hi-va to everyone.

That made their mother and their families very happy.

Chuck's Service has moved over

a lot.

Since 1938 - during almost 12 years of continuous service - 18 San Bruno has been its key word.

The new building and service rack take in up to 28 but that is "Progress."

## LETTER TO THE PUBLIC

Dear Reader:

Wandering around and about, gathering news and the gentle gossip of the comings and goings of the citizens, the statement has often been heard "that the news of the Brisbane Bulletin is long past. Now this is true, to a certain extent. The Bulletin is a resume of the monthly activities and of course, coming events that take place during the month.

You may know what your organization and friends have done, but does the rest of the community? It is well, sometimes, to have a day or two to check the news, that it may be well verified before publishing.

If you have any news, articles or something to tell about your organization's activities, write it, sign it and mail it or phone. We will be happy to publish anything of interest to any or all of the people. I thank you,

Byron Jensen.

## GIRL SCOUT NEWS

A general Girl Scout meeting held in the school library November 28th, was attended by nearly every girl scout leader and committeemen of the Brisbane Troops.

The discussion consisted mostly of organization work and its government and was conducted by Mrs. Helen Gould, counselor for the Brisbane area from the Federation office in Colma.

The troops were given a basic number, which will be forty. Hereafter, Mrs. Bhend's troop is troop No. 41; Mrs. Grabovsky's, troop No. 42; Senior troop No. 44.

The registered Brownie troop which is one full will be split into 3 troops under the leadership of Mrs. Mooers, No. 43; Mrs. Bean,

No. 46 and Mrs. Webster No. 47.

It is also planned to form another Intermediate troop, dividing troop No. 41 and making room for the Brownie Flyups.

Mrs. Richard Fassett, was asked to act as librarian for the joint troops and accepted. All literature on girl Scout activities, when not in use will, please, be returned to her; that's 312 Mendocino Street.

Mention was made of a leader's meeting of the So. San Francisco Council, to be held in the Orange Ave. Recreation Center, 9:30 a. m., December 12th.

## BRISBANE SICK LIST

On the sick list this month were quite a few of our well loved citizens. The Bulletin as usual wishes them a speedy recovery and good Health the rest of their lives.

Hurt in an automobile accident San Francisco, were Mr. and Mrs. Arthur Kennedy, both are getting along nicely. Mrs. Kennedy had been in the hospital previously for another illness.

Ralph Geist, of 409 Klamath St., spent quite some time in the hospital, too.

Mrs. Heinzer, is now in St. Francis Hospital, in traction for a previous back injury.

Sonny Castidido had an appendectomy in the St. Mary's Hospital early in the month.

Fire Chief, Louis Terry and Mrs. Lester E. Bybee are recovering from a bout with influenza. The knockdown-drag-out type.

There were many others whose names we do not have who were on the sick list this month. To them goes the greetings along with the ones we have named.

### DECORATED FOOD FOR PRESENTS

BEAUTIFUL food for Christmas presents! A gold paper cornucopia filled to the brim with the biggest, fattest walnuts you can find, each one decked with a little gold star. Hang it on a neighbor's door with a bright red bow. Or fill a shiny new pie tin with a single bunch of black grapes with a colored star stuck on each individual grape and surround them with leaves cut from gold paper. Get two big alligator pears and decorate them with stars and gold and varlet legal seals, give them each a golden leaf or two and, just in their white tissue in an ordinary basket, they're plenty fancy.

For a bottle of herb or wine vinegar make a festive angel of pie collars with lace paper doily wings and a paper baking cup head, with red and blue dots for its mouth and eyes and red ball fringe hair. Santa Claus is made on an oatmeal box, covered with red Cellophane. His wig and collar, eyebrows, and mustachios are cut from lace paper doilies, and his hat is made of two bright-colored pie collars. Little jelly glasses are covered with metal paper held in place with tiny gold or red legal seals.

and a very small lace paper doily is put on the cover of each one, with a topknot made of short piece of ball fringe.

\*\*\*

Flower bowls and holders are nice containers for home made candies. In fact, new cake or pie tins, even the lowly muffin pans, are a double gift when filled with home made cookies or candies and tied up gaily in keeping with the season.

\*\*\*

May your Christmas be a gay one filled with happiness and pleasure with those around you and the New Year bring you all the things you've ever wished for.

"The center of the world's redemption is always in the home. It may seem a small beginning, but the hope of the world is there. What is our ideal for the world? To make a family of it, where the Fatherhood of God and the Brotherhood of man is recognized—where every personality is valued for its own sake and all live together in friendship and good will. Yes, we need the heart and spirit of Christmas this year as never before, to keep our homes fine and wholesome, to light candles of faith in mankind, to hang wreaths of understanding. And until peace comes, and that it may come quickly, may we be "men of good will" in kindly, everyday living. The happiest of Holiday Seasons to you all—joy in well-doing and peace in kindly living! Good will in your hearts for all people is the wish of your State President."

—Mrs. Edward T. Walker  
President, California Congress Parent-Teacher.

**Meeting Memorandum:** A P. T. A. meeting can be fun as well as educational. This was demonstrated at November's "Father's Night." Gales of laughter were evoked by Mrs. Burt Burgess's monologue, "Them Thar Teachers Are To Blame." Highly amusing were the poems read by Roy Edwards and son, Henry. Kenneth Hart, accompanied by Mrs. Louis Duncan, sang several songs. The interesting address given by Dr. Nancy Babyley, stressed the hereditary and environment of children and the importance of the latter in the growth pattern. Conducting the meeting was Mrs. Roy Edwards, president, who presented the attendance banner to Miss Olivia Fisher's 6th grade. Dispensing with the coffee and doughnuts were Mesdames: Morris Gregerson, Thomas Prease, Ira Romrielle, and Richard Wright. And for a "service beyond the line of duty" medal we nominate "Ede" Johnson, who, as hospitality chairman, has voluntarily become an almost permanent fixture in the P. T. A. kitchen.

**Out Of The Past...** December 22, 1933: 225 children attended the Brisbane P. T. A. Christmas party given at the Social Hall on Alvarado Street. Acting as Santa Claus was the former Arthur Annis, Brisbane pioneer realtor.

**December Data:** Opening the gifts that good ole' Kris Kringle has brought to the unit to date this month we find ... Blue and gold unit program books presented to each of our 450 members (thanks to the efforts of our Vice-president, Martha Adkisson, and her helpers). Gay gathering of executive board members at their Xmas pot-luck luncheon the 8th ... Success of the 17th District meeting, held at our local school the 11th ... Fun of meeting teachers and ole' acquaintances at the school's "Open House" December 13th ... and the pride of seeing an article on our glee club, "Face The Music" by Dorothy Radoff, our publicity chairman, in this month's issue of the California Parent-Teacher magazine.

**Parade Preview ...** The welcome mat will be rolled out for St. Nick on the evening of December 19th ... Climaxing the big Children's Parade will be the appearance of Santa, who will give gifts to the boys and girls and "lend an ear" to their Christmas desires ... All parents are urged to have their youngsters participate in the procession and compete for the 48 beautiful prizes ... The decoration of homes and stores is also encouraged for the Yuletide Season ... Sponsoring this Xmas pageant are the American Legion Post and Auxiliary, the Brisbane P. T. A., the Lion's Club, VFW, and the Brisbane Fire Department. Which only goes to prove what cooperation can do.

**Profiles:** Presenting MISS MARY REGINA O'ROURKE, fifth grade teacher at Brisbane Elementary School ... A native San Franciscan, she graduated from Dominican College at San Rafael ... In 1949 she came to local school ... Japan, China, Siam and Hawaii are some of the places she has visited ... Served with the American Red Cross for fifteen months in the Philippine Island ... Taking moving pictures, collecting post cards, and golfing are her favorite hobbies.

SCHOOL SCRIPT

On Friday, December 1st, 1950, Miss Fisher's sixth grade gave two dances at assembly. The names of the dances were "La Burrita" (which means Little Donkey) and the Aztec Ritual Dance.

They wore colorful costumes. The girls wore flowers, on their hair. The children had black masks over their eyes.

The Aztec Ritual dance showed a solemn Death March. The La Burrita dance showed a little Mexican boy going to market on his donkey.

—Submitted by  
Madeline Ruta, Sixth Grade.

**Editorial:** "All classes are getting their rooms decorated for the coming Open House. I've noticed that nearly all the rooms have Christmas pictures painted on their windows. Very soon each class will have a brightly decorated tree in its midst. A new picture has just been put up at the end of the hall near the office. It adds brightness and cheerfulness to the hallway of the upper grade rooms. From the looks of things, I'd say this Open House will be a very colorful one.

STUCK WITH HER STORY

A famous European king greatly admired a beautiful court lady. One day he asked her age. She replied: "Your majesty, I am 25."

Five years later he again put the same question to her. She again replied: "Your majesty, I am 25."

"See here," said the king, "you told me that five years ago."

"Certainly," she said, "I am not one of those ladies who say one thing one day and another the next."

## BRISBANE RESIDENT'S DEATH

The death of Mrs. Anna R. Webber, on December 8th at her home on Sierra Road, saddened her many friends and acquaintances in Brisbane.

She had been a resident of Wilmar California, before moving to Brisbane in 1937.

She was ninety years old at the time of her death and is survived by her son, Stowe Webber, Sr., and grandchildren, Stowe Webber, Jr., Mrs. U. V. Soward, Mrs. R. H. Edrington, of Burlingame and six great grandchildren.

Funeral services were conducted in the First Baptist Church by Rev. R. Beal.

## FIRE CHIEF'S REPORT

"A quiet month," was Fire Chief Terry's comment on the Fire Department's report for this issue of

the Bulletin.

There were:  
7 Ambulance Calls. 3 Fire Calls.  
2 False Alarms.

The Firemen had to pump the storm drains in some sections of town during the heavy rains. This was done to prevent the accidental drowning of small children, as the water was of overhead depth. Mr. Terry again stipulates: No open fires or burning, unless permission is granted to do so, by the Fire Marshal or Fire Chief.

All incinerator must be out by 1 p. m.

Mr. Terry was loud in his praise of the women in the Civilian Defense Unit. They have had eight weeks of training in fire fighting, first aid, rescue work and can operate the fire pumps and coils like veterans.

They are: Dorothy Cole, captain. Vilena Watkins, Louise Terry, Thyra Schroeder, Lois Miles.

## HOME REPAIR AND IMPROVEMENT

The volume of home repair and improvement probably will set a new record locally during the next year, judging by numerous inquiries received from home owners according to L. E. Horton, President of the South City Lumber & Supply Co., and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Although the Federal government is attempting to reduce new housing construction sharply to conserve materials for the rearmament program, the only emergency restriction on residential maintenance and modernization is the requirement that in most cases owners must make a down payment of at least 10 per cent and must pay the balance within 30 months," Mr. Horton said.

"Federal officials obviously realize that the existing supply of homes in San Mateo County and elsewhere must be kept in good liveable condition if housing standards are to be maintained during

the period when new residential building is being curtailed.

"Some types of plumbing and electrical work may be delayed by plans to reduce the supply of strategic metals available for non-defense use, but there should be plenty of other materials, such as lumber, roofing, wallboard and cement to permit a large amount of repair and modernization work to go ahead here in the coming months.

"Local home owners who enquire about improvements to their dwellings are showing special interest in repairing or replacing roofs, installing insulation, finishing extra rooms, building or enlarging garages, and remodeling kitchens and bathrooms."

## LETTER FROM NATIONAL BROADCASTING CO.

Dear Parents:

KNBC is pleased to announce a new program designed especially for the junior high school "set"—youngsters in the 7th, 8th and 9th years of school.

Its title: "World News Edition." Its purpose: Primarily, to inform; secondarily, to entertain.

"World News, Junior Edition." makes its debut on KNBC Dec. 5. It will be heard each Tuesday and Thursday thereafter in the 4:45-5:00 P. M. period, sponsored by the distributors of Donald Duck Frozen Orange Juice.

The program will feature Jim Garthwaite and Bill Greer. Mr. Garthwaite author of several books for juveniles, has been heard on a number of San Francisco programs in times past. Mr. Greer is a KNBC News Editor.

"World News, Junior Edition" will highlight interesting news of the day and will present and explain it in language familiar to young people. In addition to covering the news so that a child can understand it, from time to time the program will also acquaint its listeners with fascinating facts of the world.

There will be no crime stories—nothing lurid or sensational—nothing undesirable for a youthful audience on "World News, Junior Edition."

Instead, the program will be highly informative—and as entertaining as two radio-wise men can make it. Both Garthwaite and Bill Greer have children of their own. They know the junior mind.

Our purpose in writing to you about this program is to ask you to call it to the attention of all youth groups with which you may be in contact. We hope, once you have heard "World News, Junior Edition" that you will heartily recommend it wherever and whenever

it is possible for you to do so.

"World News, Junior Edition" starts on KNBC, Tuesday, Dec. 5 and will be heard each Tuesday and Thursday thereafter in the late afternoon, 4:45 - 5:00. May we suggest you tune in for the program.

Cordially yours, George Greaves  
Acting General Manager.

## CHILD PSYCHOLOGY

Little Georgie received a new drum for Christmas, and shortly thereafter, when father came home from work one evening, mother said—I don't think that man up-

stairs likes to hear Georgie play his drum, but he's certainly subtle about it.

Father—Why?

Mother—Well, this afternoon he gave Georgie a knife, and asked him if he knew what was inside the drum.

## BLOOD DONORS NEEDED!

A program to secure blood for our wounded fighting men in Korea got under way Tuesday, December 5th, at the San Mateo County Blood Bank. Norman Corlett, Manager of Borden's, was the first donor to give a pint of blood to the project which will be carried out by the San Mateo County Chapter, American Red Cross, and the Blood Bank. The process was a familiar one to Corlett who has given thirty-one pints of blood. 72 donors followed Corlett's lead on Tuesday. According to word received from military officers on the battlefields, blood is in short supply and is desperately needed to save the lives of the wounded.

Tuesdays from 3 p. m. to 7 p. m. and Fridays from 8:30 a. m. to 12:30 p. m. will be set aside as Red Cross days, according to Mrs. P. J. Hanzlik, Executive Secretary of the Blood Bank. All blood given at these times will go to the fighting front, heads of the Blood Service program said today. Individuals between the ages of 18 and 60 may donate blood, and all who are able to do so are urged to call the Red Cross, DI. 3-4561, for an appointment. Mrs. Henry Bostwick, Jr. Blood Service Chairman for the local Red Cross, issued an appeal to clubs and organizations to send groups of their members to the Blood Bank to aid in the program to save lives. Transportation for these units may be arranged for, she said, by contacting the Red Cross. "I am sure everyone realizes the gravity of the present situation," Mrs. Bostwick said. "Do your part now, by calling DI. 3-4561, and make a date to save a life." Our quota has been set at 600 pints of blood per month!

## CLASSES IN HOME NURSING

Through action of its Board of Trustees, the San Mateo Union High School District will incorporate into its curriculum two classes in Home Nursing. These courses in "General Family Health and Care of the Sick in the Home," and "Mother and Baby Care" will become part of the required program for Senior girls. Action was taken by the Board on the suggestion of the San Mateo County Chapter, American Red Cross, and the endorsement of Will T. Van Voris, superintendent of the High School District. For the past four years, these classes have been given in the schools by Red Cross instructor on a demonstration basis. Preparatory to launching the program under its new set-up, a five-day institute to train teachers is being conducted by the local Red Cross with cooperation of personnel from Pacific Area Red Cross headquarters in San Francisco.

Van Voris has sent two school nurses and three economics teachers to the training class at The First Baptist Church in Burlingame. Substitutes have replaced these teachers for the duration of their training period. Instructors for the class this week are Miss Edna Chapman and Mrs. Loy Doss both from Pacific Area Red Cross office. Training from San Mateo Union High School District are Mrs. Martha Grannis and Miss Mildred Roberts, San Mateo High, Miss Florence Boddy and Miss Vera Maple, Burlingame High, and Miss Vivi Xeroe, Capuchino High. San Francisco High School is also taking advantage of the training class, with the idea of incorporating the two Home Nursing courses into the regular school program.

It has sent Mrs. Betty Hutchinson, a school nurse, to the Institute.
